Limited Lifetime Warranty:

We stand behind the quality of the products we manufacture and redistribute. In the unlikely event a product fails, warranty will be granted quickly and unconditionally, providing the products were used for the application intended. No warranty consideration can be made if the initial inspection shows that the product has been:

- Hammered.
- Heated.
- Used with any device to create additional leverage.
- Machined or modified in any way.
- Used for purposes other than those, which it was designed for.
- Overstressed or over torqued.

Products such as ratchets, flex handles, universal joints, and adjustable wrenches require periodic maintenance and repair. When a product needs repair due to normal wear and tear, the repair will be at the customer's expense.

Products that carry a limited warranty:

The following products do not qualify for lifetime warranty:

- Toolboxes, torque wrenches, torque multipliers, tape measure (1 year warranty)

Non-Warranty Items:

Due to the nature of the product, the following items are not warranted:

Warranty coverage applies to original owner only and is non-transferable.

Please keep your proof of purchase records, which will be required for warranty.

Gray Tools Canada will be the sole authority in evaluating the products and determining warranty claims and will be glad to replace products qualifying for warranty received prepaid. Gray Tools Canada shall not be liable for any damage or injury due to product failure.

If your product qualifies for warranty, please return it to your local distributor, or call our Customer Service department for a warranty inspection number and further instructions.
